Ch: chain

YO: Yarn over

Sl st: slip stitch

SC: single crochet

DC: double crochet

Notes:

This pattern is worked by making 2 hexagons first, then sewing the sleeves, then lengthening the cardigan, then sewing the back, then lengthening the sleeves, then making the hood, then doing the finishing touches with the pockets and trim. If my written pattern gets confusing, refer to the video for easy to follow visual instructions.

PATTERN:

Repeat round 3 until one side of the hexagon measures half of your chest measurement. (If your chest measures 40 inches, make sure that each side of the hexagon measures 20 inches) If you make a few extra rounds, no biggie, it will be a little more slouchy of a cardigan. On your very last round, be sure to end it with a ch 2, sl st to ch up 3 at beginning of round, fasten off with a long tail for sewing on both hexagons.

Assembly Step:

Fold each hexagon to an "L" shape by matching up the corners. Be sure the corner you fastened off with is at the top of the sleeve. Sew the sleeves closed with that extra yarn you cut when you fastened off. (See video for instructions) Do not sew all the way closed, be sure to leave 4-5 dc groupings left unworked. Fasten off. Do this for both sleeves.

Lengthening the cardigan:

Attach yarn to bottom corner of one hexagon, work in rows:

Row 1: ch up 3, 2 more dc in corner sp, 3 dc in each sp between double crochet groupings until you get to the end, 3 dc into the corner, ch up 3, turn.

Row 2: 3 dc in each sp between double crochet groupings until you get to the end, 1 dc in last st (see video for visual instruction)

Repeat rows 1 & 2 until you have reached desired length. (I made 20 rows) Repeat this process for the other hexagon as well. To fasten off, make sure to fasten off with a long tail for one hexagon. For the other hexagon, fasten off and weave in end.

Assembly Step:

Use the long tail to sew up the back using a mattress stitch. (Again, see video for instructions on how to mattress stitch)

Hood:

Attach yarn to the front side of the skipped stitches from sewing up the sleeve. Repeat rows 1 & 2 of lengthening the cardigan until your hood is approximately 15 inches long. Fasten off with long tail, fold top in half and sew down the center. (See video for visual instructions) (I Made 20 rows)

Lengthening sleeves:

Attach yarn to underarm side of sleeve, *ch up 3, 2dc in same sp, 3 dc in each sp between double crochet groupings, all the way around. Sl st to beginning ch up 3. Repeat from * until sleeves are as long as you want them to be. (I made 15 rounds)

Pockets: Make 2

Round 1: Ch 4. In fourth ch from hook work 2 dc, ch 2, *3 dc, ch 2* twice, 3 dc, ch 1, sc to top of 4th ch.

Round 2: Ch 3. In sp formed by sc at end of prev rnd work 2 dc, ch 2, 3 dc. *3 dc, ch 2, 3 dc* in each ch-2 sp. Join with ch 1, sc to first ch up 3 of rnd.

Round 3: Ch 3. Work 2 dc in same sp. Work 3 dc in each sp bet 3-dc groups and work 3 dc, ch 2, 3 dc in each ch-2 corner sp. Join with ch 1, sc to first ch up 3 of rnd.

Repeat rnd 3 three more times for a total of 6 rounds. Change color to Bone for last 2 rounds if desired. Fasten off with long tail for sewing. Sew pockets to cardigan. (See video on where exactly to place pockets)

Outer edge:

Attach Accent color yarn to bottom corner, work granny stitch (3 dc in each sp) around edge of entire cardigan. Make 2 rounds. (See video for specifics on how to crochet around seams and in corners)

Repeat process for each sleeve. Fasten off, weave in all ends.
Enjoy!
